YOUR WORK, YOUR PRICE

Artists set the retail price of their own work. We are delighted to offer market research and pricing input, and the final decision always rests with you.

GALLERY OR STUDIO INVENTORY

Consign your work with us in the Gallery, or keep it in your own studio inventory under a written agreement naming the Gallery as your consignee and selling agent for the term of your membership.

COMMISSIONED WORK

Collectors pay 50% at commissioning and 50% upon satisfactory delivery. The Gallery advances you 25% of the total price to begin work, then pays the balance of your split on completion.

WORKSHOPS & ARTIST TALKS

Workshops and Artist Talks are included for our Exclusive and Gallery Artists Circles, and open to Community and Emerging Artist members (price to be determined per event).
